The PreMedSKL Future MD Award recognizes 50 outstanding Canadian Grade 11 students who combine academic excellence, leadership and a genuine curiosity about medicine and the health sciences. The scholarship covers the entire tuition (valued at \$7000) for a 1-year national mentorship & enrichment program delivered by award winning medical students, residents and physicians from leading Canadian Universities and Hospitals.

Award Overview

- Number of Awards: 50
 - Monetary Value: \$7000 — covers the full 1-year tuition for PreMedSKL's Mentorship & Enrichment Program (not university tuition)
 - Eligibility: Grade 11 students enrolled full-time at a Canadian high school
 - Citizenship: Canadian citizens or permanent residents
-

About the PreMedSKL 2026 Mentorship & Enrichment Program

Awardees participate in a virtual, year-long program featuring: Weekly small-group mentoring with award-winning medical students, residents, and physicians.

- Coursework and Interactive workshops on clinical reasoning, ethics, global health, and scientific communication
- Career panels across specialties (e.g., surgery, ophthalmology, public health)
- Interview prep based on CASPer and MMI simulation
- Certificate of completion

Eligibility Criteria

Eligible students must:

1. Be enrolled as a full-time Grade 11 student in a Canadian high school (public or independent)
 2. Be a Canadian citizen or permanent resident.
 3. Have achieved a minimum average of 90% (or equivalent) in their most recent academic year.
 4. Demonstrate leadership, initiative, and community involvement.
 5. Show a strong interest in medicine or the health sciences.
 6. Be nominated by their school's principal or vice principal, guidance counsellor/academic advisor, or science teacher.
-

Nomination & Selection Process:

School Nomination: One (1) nominee per school via the PreMedSKL Nomination Form (student info, transcript/grade summary, short ~250-word endorsement).

Student Application: Provide some additional information and respond to a few short answer questions on curiosity for medicine and community impact. Specific instructions on the student application provided after nomination.

Selection: National committee review; select candidates may be invited for a brief virtual interview. 50 Scholars selected.
